

Detroit Regional Census Center

Come join the Census Team, where everyone counts. The Census Bureau produces quality data that helps Americans better understand our country - its population, resources, economy, society and culture. We offer competitive salaries, flexible hours and work arrangements, developmental opportunities, recognition for a job well done, and a host of other employment incentives. If working in an environment that values your individuality and diversity and allows you to innovate, engage in problem solving, and achieve your professional goals appeals to you, then the Census Bureau is the place for you.
